Olympia 5 Light Inverted Pendant - AP

3279AP (Antique Pewter)

Product Description:

The Olympia Collection brings a modern twist on the classic aesthetic to create a new form the likes of which has not been seen before. The curvilinear, flowing arms create a clean, contemporary profile for your home. The Antique Pewter finish combined with Satin-etched cased opal glass presents a natural color palate capable of matching any décor. Now, the Olympia Collection offers its unique look as an inspirational inverted pendant. It uses a 5-light design that requires 150-watt (max.) bulbs to light the Satin-etched cased opal glass, creating glowing light with chic sophistication. It measures 36" in diameter and 31" high.
