Installation Notes

Install this product according to the installation guide.

NOTE: Use caution when this drain is installed on whirlpools or air baths. The jet action may cause the water to splash when the jets are activated.

The elbow brass pipe subassemblies (noted as L1 and L2 in the Product Diagram) must be cut to correct length.

Tube Length Supplied

	L1	L2
K-37380	21" (533 mm)	9-1/2" (241 mm)
K-37382	26" (660 mm)	9-1/2" (241 mm)
