To overflow:	
Water depth	15-1/4" (38.7 cm)
Capacity	90 gal (340.6 L)
* Approximate measurements for comparison only.	

Installation Notes

Install this product according to the installation guide.

Floor support under bath must provide for a minimum of 79 lbs/square foot (386 kg/square meter) loading.

Cast iron baths are extremely heavy, making some installations difficult.

Height measurements vary due to levelling of the cast iron adjustable feet. Dimensions shown are minimum.
