Dimensions:

Materials:

Double Shower Curtain Ring is constructed of steel.

Installation Instructions:

1. Hang all 12 rings on the shower rod. (Make sure the high end of the ring is facing the outside of the tub)
2. Thread the ball caps through the open end of the shower liner. The shower liner should be on the low end of the ring facing the inside of the tub.
3. Thread the ball caps through the open end of the decorative shower curtain. The shower curtain should be on the high end of the ring facing the outside of the tub.

Cleaning Instructions:

To preserve the fine finish of this product, clean only with a soft damp cloth. Dry well. Do not use commercial or abrasive cleaners.
