**Collections:** Cypress-Unique (Primary)  
Illuminator

Traditional style natural copper path lights offer versatile light output and feature a rotating adjustable height setting, allowing various beam spreads. The frosted cylindrical lens minimizes glare while the 20 watt Astro-Brite / Intelli-Bright lamp provides sufficient light to cast soft glows on any path or walking area.

Use of other manufacturers' components and power management system materials will void warranty, listing, and present a possible safety hazard. Please use caution when specifying lamps by selecting the proper voltage, base type, and wattage lamp when designing and installing any lighting system.

**IMPORTANT FINISH NOTE:** True to one of its most special and sought after effects, our natural copper will, over time, take on a beautiful natural patina with shades of blue & green highlights.
