

SPEAKMAN COMPANY

VS-126 Installation, Operation & Maintenance Instructions

VERSATILE® HAND HELD WALL MOUNT

DESCRIPTION

Speakman VERSATILE® chrome 2 position circular hand held wall mount with two (2) screws and two (2) anchors.

SPECIFICATIONS

SHIPPING WEIGHT: 0.13 LBS.

OPTIONS

PB – Polished Brass Finish
BN – Brushed Nickel Finish

INSTALLATION

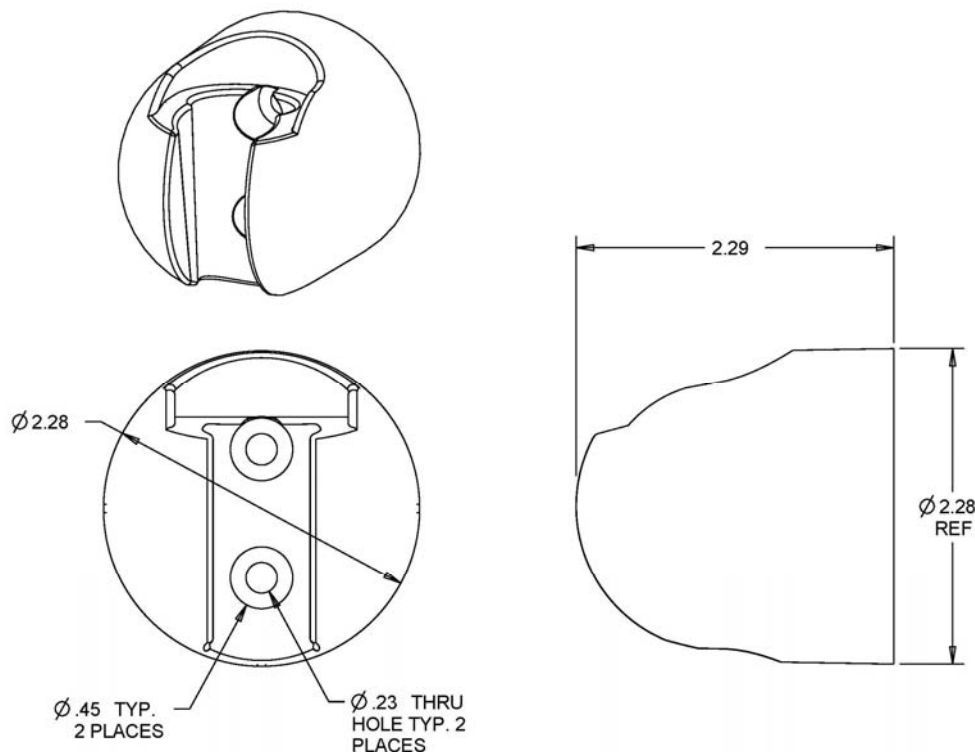

Location of the wall mount is optional but restricted by hose length. Attach mount to wall using the two (2) screws and two (2) anchors provided, or with double sided tape/adhesive available at most hardware stores. Slip hose connector attached to hand held showerhead into mount.

MAINTENANCE

The finish of your SPEAKMAN VERSATILE® VS-126 wall mount can be cleaned by using mild soap and warm water. Dry immediately with a soft, clean cloth for best results.

Product improvements may cause specification and dimensional changes without notice.
