

LAVA® Designs Infrared Radiant Heating System

The WarmlyYours Advantage

- Over 12 years in the radiant heating business
- 99% of our customers report complete satisfaction with our service
- 97% of our customers report complete confidence in our product quality

Signature Services

- Industry Leading 24/7 Installation Support
- Lifetime Technical Support
- Unbeatable No Nonsense™ Warranties (cover ALL parts/labor)
- Same Day Shipping
- No Restocking Fees

LAVA® Features

- LAVA® Glass (Mirror Finish) Offers 3-in-1 Technology: works as a Mirror Defogger, Towel Warmer, and a heating element
- LAVA® Light Offers 4-in-1 Technology: a Light, Mirror Defogger, Towel Warmer, and a heating element
- Versatile: central or auxiliary heating for isolated living spaces
- A Functional Piece of Art (heat source with artistic design)

Benefits

- Energy Efficient (reduce your heating expenses by 12%)
- Healthy Infrared Heat (ideal for allergy sufferers)
- Environmentally Friendly
- Space Saver (mounted on the wall horizontally or vertically)

This state-of-the-art heating system will provide you with unparalleled heating performance. With the ECO-LAVA® principle, you will maintain the same warmth as a regular heating system at a lower capacity.
