

### **8286-1H**

*Oval Silver Web*  
1-100W Edison Base, On/Off  
Pendant, 10"H x 17.25"W

*This pendant is playful and functional, accented with randomly placed glass beads throughout. Comes with a swag kit - easy to use in any space. Due to hand-crafting no two are alike. We suggest using silver tip bulbs to add additional drama.*
