***Drizzle Family***

Drizzle is influenced by but not obsessed with nature. The key design element is a stylized interpretation of raindrops, executed with a playful, light and modern attitude.

**2-60W Edison Base**  
**Table lamp**  
**29.5"H x 16"D**

Our base is crafted in spun metal, powercoated for protection. The finish is a pearlized finish, two pull chain control the amount of light needed. The shade is hand printed on a satin poly cotton. Due to hand-crafting, no two are alike.
