

Hendrik Collection Hendrik 5 Light Chandelier - Brushed Nickel 1672NI (Brushed Nickel)

Product Description:

Named after renowned Dutch architect, Hendrik Berlage, the Hendrik Collection is a gorgeous family of contemporary fixtures that honor the man who was regarded by many as the "Father of Modern architecture". Much like Berlage himself, The Hendrik Collection is regarded as an intermediary between modern and traditional styles. Classic lines are enhanced with a soft touch of current style cues to work in a number of aesthetic environments. The clean look provided by our Brushed Nickel finish is partnered with the Satin-etched cased opal glass for a fantastic pure and frosted color palate. The 5-light Hendrik Chandelier uses 100-watt (max.) bulbs, measures 24" in diameter with a body height of 21". It comes complete with 104" of extra lead wire as well, allowing for easy installation.
