91019-147 - Intrepid Directional Up Light, 24v

Collections: Imperial (Primary)
 Intrepid

Multi-purpose, up-light and surface-mounted directional fixtures offer style and function without compromise. Its sleek straight lines and dual gasket shroud feature make the Intrepid an essential fixture when lighting palms, trees, columns or other tall structures. Featuring an O-ring supported shroud this down-light fixture uses the Universal Mounting Bracket to make installation fast and easy.

Brass Construction

Pre-Greased Beryllium Copper Socket

360 Degree Rotation Shroud

Adjustable Cast Brass Knuckle

Anti-Moisture Migration Connections

Brown ABS Plastic Gravity Stake

Use of other manufacturers' components and power management system materials will void warranty, listing, and present a possible safety hazard. Please use caution when specifying lamps by selecting the proper voltage, base type, and wattage lamp when designing and installing any lighting system.

UPC #: 785652146985

Product Type: Landscape Light

Finish: Weathered Brass (147)

Features:

Orbital Lock Nut

15 Year Warranty

Dimensions:

Diameter: 2 13/32"
