Collections: Cypress-Unique (Primary)
 Cambridge

Natural Copper Construction

Decorative path lights for soft level lighting with an elegant look. The frosted cylindrical lens minimizes glare while the 20 Watt Astro-Brite lamp provides sufficient light to cast soft glows on any path or walking area. Ideal for walkways and planter areas needing lighting.

Pre-Greased Beryllium Copper Socket

Natural Copper Shade

Anti-Moisture Migration Connections

Brown ABS Plastic Stabilizer Stake

IMPORTANT FINISH NOTE: True to one of its most special and sought after effects, our natural copper will, over time, take on a beautiful natural patina with shades of blue & green highlights.

Use of other manufacturers' components and power management system materials will void warranty, listing, and present a possible safety hazard. Please use caution when specifying lamps by selecting the proper voltage, base type, and wattage lamp when designing and installing any lighting system.

UPC #: 785652129575

Product Type: Landscape Light

Finish: Natural Copper (148)

Features:

15 Year Warranty

Dimensions:

Diameter: 8 1/2"

Wire: 36" (color/Brown)

Height: 22 7/16"

Bulbs:

1 - G4 Bi-Pin T-3 20w max 12v - included

Material List:

1 Stake - ABS Plastic - Brown

1 Construction - Solid Copper - Natural Copper

Safety Listing:

cETL Listed for Wet Locations
