

**Important: Always unplug the power cord before installing or replacing bulb and before cleaning or other maintenance.**

Tools Required: Phillips head screwdriver, level, drill

#### Assembly Instructions item 1675 and 1676

1. Mark the location of the mounting holes using a level.
2. Drill 5/16" dia hole for anchors. Insert plastic anchors into holes.
3. Screw in mounting screws to the wall. Back off screw half a turn.
4. Position the keyhole slots in the back plate over mounting screws. Push down on the back plate to secure to wall.
