

# T~TRAK

## HEADS-LINE VOLTAGE

### GENERAL PRODUCT INFORMATION:

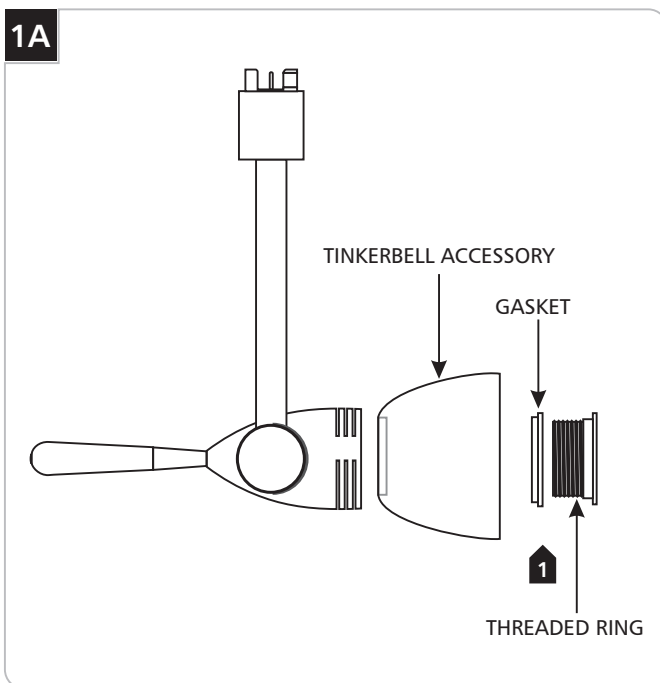

This product is suitable for indoor dry locations only.

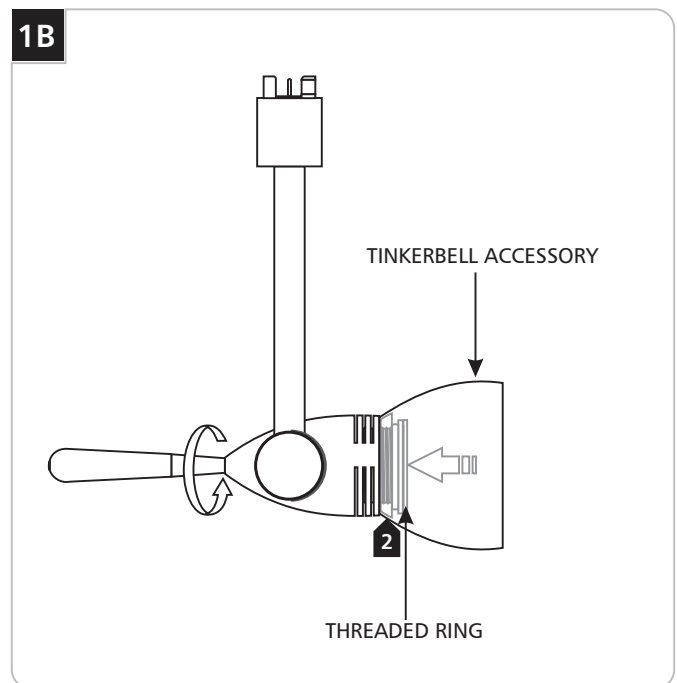

Use this accessory with the T~Trak Aero head.

## Install the Accessory and Lamp

- 1 Place the threaded ring into the gasket and the Tinkerbell Accessory.

- 2 Screw the threaded ring completely to front of the fixture.

**TIP:** Hold the threaded ring against the Tinkerbell Accessory with your thumb and turn the fixture to screw the threaded ring in. Make sure that the threaded ring is tight before installing the fixture.

- 3 Refer to the instructions provided with the fixture to install the lamp.
