Ordering Example (model & lamp – finish): BA-BX1-WT

Product Details	
<b>Description:</b>	Line voltage xenon undercabinet light bar for use on wood cabinets, desks, shelves and bookcases.
<b>Materials:</b>	Fabricated 20 guage steel body with an abrasion resistant paint finish. One or two piece hinged and framed glass lens. Four rear mounted rubber feet/spacers. High-low-off switch located on the top of the unit.
<b>Connection:</b>	The BA-BX can be hardwired or use a six foot cord and plug (sold separately). Knockouts are located on both the backside and on the topside for hardwiring (supplied with one 1/2" BX/Non-metallic sheathed cable adaptor). Poke-home style connectors are pre-installed on the interior wiring for installation convenience.
<b>Lamping:</b>	Xenon 25 watt, 120 volt wedge base lamps included. Re-lamping is accomplished by "pulling down" on the hinged and framed glass lens cover. No tools are required.
<b>Finish:</b>	BB = Bronze WT = White
<b>Accessories:</b>	BA-IC12/24/36 = Interconnect Cable BA-PC6 = Power Cord w/grounded plug
<b>Listing:</b>	UL & CUL Listed. 5 year W.A.C. Lighting product warranty.
