

**Low Volt Extension      Model X6, X12, X18, X24, X36, X48, X72, X96**

**Description:** Fixtures available with 6", 12", 18", 24", 36", 48", 72", 96" extensions (factory assembled in BK, WT or BN). Specify fixture style and finish when ordering (i.e.: X18-HHT-007-BK). Extensions are non-stock items, available only as a complete unit from the factory. Note: Extensions over 48" in length are shipped with two shorter rods and a threaded coupler, to be joined in the field.

**Finishes:** Black, White and Brushed Nickel (when ordering brushed nickel select Black or White transformer case and socket wire i.e.): X12-JHT-180-BN/WT.

**Listing:** UL and CUL listed, New York City Approved.

**H-Style Extension      Model H18, H24, H36, H48**

**Description:** Line volt track head extensions available only for H series 3 wire track fixtures. The separate extension rod can be added to fixtures in the field. Installation is similar to mounting a track head. Available in 4 sizes 18 through 48 inches.

**Finishes:** Black or White

**Listing:** UL and CUL, New York City Approved.

**Track Bracket      Model TBKT**

**Description:** Track bracket extends 24" from the wall, for use with all our line voltage track. Powered through a live end connector. Use two brackets for 2 or 4 foot track, and three for 6 or 8 foot track.

**Finishes:** Black or White

**Listing:** UL and CUL, New York City Approved.
