

Camden LED Flush Mount CMF Series

Features

This Camden LED flush mount is a shallow mushroom style providing light to any room. An excellent alternative solution to incandescent or CFL fixture with long lasting and energy saving LED technology. Ideal use for general lighting in indoor residential, commercial, and hospitality applications. Fixture can be mounted to a standard junction box (not included) on a ceiling. Available in multiple sizes.

Construction

A 22-gauge steel housing made by stamping process and painted in lighting grade white to provide long lasting finish with 3 side white screws to hold molded diffuser. Power supply connections must be made inside a junction box (not included).

Finish

White

Diffuser

0.070" thick smooth white acrylic
