## 36" Counter Depth French Door Refrigerator

MMC23FD

### Interior Features

- Storage Drawer with 12 Temperature Settings: Choose from 9 preset selections (like Ready to Serve, Cheese, White/Sparkling Wine, Beer, Fish/Shellfish) plus three customizable settings to ensure your food remains at the ideal temperature for serving and maintaining freshness.
- Fully Cantilevered, Adjustable Glass Shelves: All-glass shelves can be arranged in a variety of flexible configurations to fit wide and tall items.
- Tri-level Organization System: Stay well organized with our tri-level freezer organization system. Three large-capacity baskets feature removable dividers and smooth-glide roll out. And, baskets at the top are removable, allowing you to configure the space as needed to neatly fit large or small items.

### Performance Features

- Customized Temperature Controls: Adjust the refrigerator and freezer temperatures independently.
- Filtration Systems: Our pure filtration system circulates clean, filtered air throughout the interior to prevent odor transfer. Plus, fresh ice is easy to access.
- Theatre-Style Interior Lighting: Soft, transitional LED lighting gradually illuminates the interior with ample light as you open the door. Perfect for night-time trips to the refrigerator!
- Humidity-Controlled Crisper Drawers: Smooth-glide crisper drawers feature adjustable humidity control and minimal temperature variation to preserve even the most delicate fruits and vegetables longer.
- Integrated Alarm System: To protect the temperature integrity of your refrigerator contents, you'll be notified of any power failures, if a door is ajar over five minutes, and if the interior cabinet temperature rises above 56 degrees for more than 20 minutes.
