

MODEL NUMBER: ALL700RM-CM

Patent #5105349 & 7410150 B1

The ALL700RM-CM is a 'commercial grade' motorized winch for the raising and lowering of a light fixture. This 'remote mount' lift is designed to be installed in an offset location when there is limited access directly above the fixture. Please see page 30 for 'standard mount' vs 'remote mount' diagram.

Specifications
