### Installation Instruction/Instructions d'installation

Install/l'installation

Remove/mobiles

### Drawer Adjust/ tiroir ajuster

① Apply a bead of adhesive or silicone onto each edge of cabinet top.

② Place ALTAIR vanity top onto the cabinet, making sure vanity is seated properly.

**24H**  
Don't use the vanity for at least 24 hour, in order to allow the glue to cure fully.

1. Sticky Ceramic Basin/Bassin en céramique collant

2. Install pop-up, faucet and basin / Installer des éventails, des robinets et des lavabos

3. Hang the Mirror/Suspendus Miroirs
