

WALK-IN BATH 3260.219 LUXURY SERIES

American Standard

The American Standard 32" x 60" Acrylic walk-in bath provides the maximum in therapeutic soaking pleasure with the largest water capacity in our product line. The full sized, contoured door with a low door threshold allows ease of entry and exit.

Fully equipped, the 219 Luxury Series offers all the latest in safety and comfort features with the most advanced therapeutic options and backed by a lifetime warranty on the door seal, a 15 year warranty on the tub shell and a 10 year warranty on all other components.

Whirlpool Massage

A soothing and invigorating water jet massage system, the Whirlpool massage features an in-line heater, an automatic tub cleaning system and Legs-Only massage. Customize back and leg muscle therapies with 13 different water jets. The Whirlpool Spa is combined with all of the features of the Soaker Tub providing an enhanced therapeutic bathing experience.

Air Spa Massage

Experience a soft and caressing all-over body massage powered by a variable speed heated blower that releases thousands of air bubbles rising throughout the water from 26 different air jets. The automatic purge cycle helps keep the system running efficient and clean. The Air Spa is combined with all of the features of the Soaker Tub providing an enhanced therapeutic bathing experience.

Combination System

Combines all of the features of the Soaker Tub, the Whirlpool Massage and the Air Spa Systems, plus a multi-colored Chromatherapy light system for the ultimate therapeutic bathing experience.

Quick Drain® System

Spend less time waiting with this patented innovation, that requires no additional plumbing, once activated it rapidly pumps the water out from within the tub-making it safe to open the door and exit the tub. Included in all systems.
