Assembly Instructions:

CAUTION-Turn off the main power at the circuit breaker before installing the fixture in order to prevent possible shock. Remove the fixture and the mounting package from the box and make sure that no parts are missing by referencing the illustrations on the installation instructions.

1. Attach the CROSS BAR to outlet box with SCREWS (1).
2. Attach the ground wire to the cross bar with GREEN SCREW.
3. Connect the power line with the WIRE NUTS as shown.
4. Fasten the FIXTURES BODY to CROSS BAR with SCREWS (2).
5. The 44W LED with 3000K bulb has been pre-installed.
6. Turn on the power.

ATTENTION: This fixture should be installed by a licensed electrician.
