

Gemini 32W LED Pendant Black and Nickel

The Gemini collection of pendants is a real eye catcher as it is super trendy and unique. These pendants are suspended by thin aircraft type cable and are illuminated by bright and energy efficient LEDs. The frame is a dual tone. The outer frame is a matte black finish while the interior spheres have a textured brushed nickel finish. The inner sphere can be rotated to any desired position (These models are dimmable with appropriate LED rated dimmer switches).
