

Burford Collection 1-Light Pendant Brass & Black

The Buford Collection is a striking ensemble that seamlessly blends elegance and modern design. Its defining features include a brass frame complimented with black rings, creating a contemporary contrast against the timeless appeal of the metal. The thick semi-transparent water glass add opulence and warmth, making these lanterns style chandeliers a sophisticated focal point for any space. Single light pendant shown (height adjustable with rods and built in hangstraight for sloped ceilings).
