

Burford Collection 1-Light Sconce Brass & Black

The Burford Collection is a striking ensemble that seamlessly blends elegance and modern design. Its defining features include a brass frame complimented with black rings, creating a contemporary contrast against the timeless appeal of the metal. The thick semi-transparent water glass add opulence and warmth, making these lanterns style chandeliers a sophisticated focal point for any space. Single light wall sconce shown (matching pendant, island light, and chandelier available)
