RICHARD OUTDOOR PENDANT

49228

H: 23 IN, Dia: 12.00 IN

Aged Iron

Contract Suitable As Is

The traditional hourglass shape gets a modern revamp in this contemporary drop pendant. The glow comes from the opal glass shade, which conceals two bulbs—one up and one down—to cast ample, warm light throughout a space. Its linear style is what makes it so modern, though the aged iron finished steel accents also lend an updated look, too. Damp-rated, although limited covered outdoor conditions may affect finish. Additional pipe available PIPE-193. Also available in Aged Brass
