Black Stained Wood, Antique Brass
Contract Suitable As Is

A cousin of our Tilda Collection this large-scale luminescent transforms a space with a naturally refined elegance. Hand-carved wooden batons finished in black dangle from the two-barrel antique brass iron frame creating a tiered effect that yields a subtle yet stunning shadowplay along the walls and floors. The contrasting finishes unite the natural and refined materials this 3-light pendant possesses with style and sophistication. Finish will vary. Due to the organic nature of the wood used to create this piece, each piece will vary in size and shape. The wooden sticks will eventually crack and is an inherent feature of solid wood of this proportion.
