

ARTERIOS

MIA PENDANT

41005
 H: 20.5 IN, Dia: 27.00 IN
 Antique Brass, Beige Microfiber
 Contract Suitable As Is

Like a magnetic field surrounding the central lantern, almost 100 strips of upholstered banding are made to create each of these pendants. The bands are made of a super pliable material and simple beige cotton, the lantern from white cotton and the fixture suspends from a stainless steel stem finished in a warm antique brass. The filtered light comes from a single bulb, casting a wonderful glow and soft, linear shadows. Additional pipe available (PIPE-504).
