GEMMA SCONCE

49370
H: 22 IN, W: 6 IN, D: 8 IN
Antique Brass
Contract Suitable As Is

Form meets function with this diamond-esque sconce. The champagne crystal form possesses an arresting blend of elements and colors that helps create mesmerizing shadowplay along a wall space. When in use the sharp angles of the faceted structure are both softened and defined by its contents. An antique brass steel stem extends from a hexagon-shaped backplate to stylishly showcase this functional gem. Damp-rated, although limited covered outdoor conditions may affect finish.
