WILSON PENDANT

Blue Cadet
Contract Suitable As Is

Inspired by the uniqueness our Mia Pendant (41005) imparts upon a space, we've created this colorful take in a different shape. Strips of pliable blue cadet microfiber banding surround the light, which is suspended from a steel pipe finished in a warm antique brass. The styrene shape is not only aesthetically engaging, but it filters the light and casts soft, linear shadows. Additional pipe available (PIPE-504).
