## TULANE CHANDELIER

89335  
H: 31 IN, Dia: 35.00 IN  
Natural Wood and Abaca, White  
Contract Suitable As Is

A twist on the traditional empire chandelier, the Tulane establishes a strong presence while remaining light and airy. The tiered construction is crafted from hand-cut wooden beads strung along an abaca-wrapped frame, delivering a rustic element to its feminine form. The large-scale, open-form structure allows light to cascade down each layer and brilliantly light up its surroundings. Due to the handmade nature, slight variances may occur. Additional chain available (CHN-204).
