MARGARET FLUSH MOUNT

49785

H: 10 IN, Dia: 21.00 IN

Blackened Iron, Off-White Linen

Contract Suitable As Is

The Margaret defies classic flush mount expectations with an explosive design. Completely crafted from steel, this fixture features an umbrella-shaped form of curved rods finished in antique brass. The parasol structure envelops a single socket for whatever size globe you deem appropriate. Damp-rated, although limited covered outdoor areas may affect finish.
