OAKLAND SCONCE

H: 11 IN, W: 6 IN, D: 7 IN
Antique Brass, Matte Bone Porcelain
Contract Suitable As Is

The Oakland finds a balance between modern and traditional elements. The column-shaped cuffed shade of this sconce is crafted from porcelain in a matte bone finish and features an antique brass steel backplate. A chiseled texture has been applied to the shade, adding a sculptural appeal to its clean-lined aesthetic. The light delivers a translucent quality when in use and helps highlight the bone china-esque details. Damp-rated, although limited covered outdoor areas may affect finish.
