85025
H: 27.5 IN, Dia: 28.00 IN
Natural Wood
Contract Suitable As Is

The Nina puts a twist on the classic empire silhouette, establishing a strong presence while remaining light and airy. The large-scale construction is crafted from hand-cut natural wooden beads strung along a natural abaca-wrapped white iron frame. Natural jute rope adding a rustic element to its feminine shape. This open-form structure allows the illumination from each of its six lights to generously peek out and cascade down while highlighting each layer. Finish will vary. Additional chain available (CHN-217).
