Pewter, Blue Smoke Glass

Contract Suitable As Is

Both elegant and strong, this rectilinear chandelier is reminiscent of Italian master Carl Fagurland. The pewter finish delicately holds the shades of two glass layers creating playful shadows of light. The clear ribbed interior glass mixed with the blue smoke outer glass create beautiful diffused light. Perfect over a dining table or centered over a kitchen island. Additional pipe available (PIPE-493). Damp-rated, although limited covered outdoor areas may affect finish.
