PRESLEY CHANDELIER

89649

H: 30.5 IN, W: 58 IN, D: 13.5 IN

White Linen

Contract Suitable As Is

In an inventive linear composition, the Presley is executed in an architectural framework of English bronze steel, which forms a cradle for the chandelier's canoe-shaped shade. The contrasting materials create a striking juxtaposition, and its crisp, white linen shade casts a soft glow. Damp-rated, although limited covered outdoor areas may affect finish.
