Blue Smoke Luster Glass

Contract Suitable As Is

Our Raine chandelier was inspired by the vintage Murano glass lighting made popular in the '60s and '70s. The tear-drop silhouette is embellished with rounded layers of lustrous, blue smoke seedy glass, in staggered sizes, that fold over a tiered iron frame, which is finished in antique brass. The result is a dramatic and textural waterfall effect. The glass pieces can be removed to provide additional illumination if desired. Finish will vary. Damp-rated, although limited covered outdoor areas may affect finish.
