TOWNE CHANDELIER

DLC07

H: 12.5 IN, W: 56 IN, D: 40 IN

Clear Seedy

Contract Suitable As Is

With a dynamic, mobile-style design, the Towne chandelier is created of alternating, up-and-down-facing discs of clear seedy slump glass and opaque opal glass shades. The clever composition results in a reflector effect, allowing light to dance across a space. The largescale illuminator fits tight to the ceiling, with a linear construction in an antique brass finish. Finish will vary. Damp-rated, although limited covered outdoor conditions may affect finish.
