

DRIFTER LAMP

PTE10-SH047
 Haze Blue Reactive
 Glaze, Ceramic
 H: 28.5 IN
 Dia: 20.00 IN

Totemic forms are stacked and structured to become more than the sum of their parts in this impactful ceramic style. Glazed in haze blue with a horizontal grooved texture, the Drifter is finished with an antique brass finial and an oval shade of ivory microfiber. Finish will vary.

CONTRACT: Contract Suitable As Is
