WMI48
 Hot Rolled Steel
 H: 36 IN
 W: 20.5 IN
 D: 2.5 IN

Crafted of rolled steel, our loop powder mirror is an introverted shape to pair with more extroverted wall accessories. The peek-through iron frame is treated with heat, assuring that each will possess varying color details to make it unique. Able to hang vertically or horizontally, it has a cleat attachment for secure display.
