

FALCON CHANDELIER

DLC28
Smoke
H: 31.5 IN
Dia: 41.00 IN

Our industrial-inspired style of English bronze-plated iron is accented with wrapped cognac leather for a tactile finish. Mounted on a slim iron pipe, each fixed branch is punctuated with a smoke glass globe, dispersing light in different directions to fully illuminate a space. Damp-rated, although limited covered outdoor areas may affect finish. Finish will vary.
