FAIRFAX SCONCE

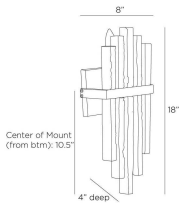

DWC59
White
H: 18 IN
W: 8 IN
D: 4 IN

With a silhouette inspired by the ranks of a pipe organ, echoing forms of white chiseled alabaster are mounted on a rectangular backplate of English bronze-plated iron. The raw chiseled edges of each unique piece of stone highlight the character of Fairfax's materials. Damp-rated, although limited covered outdoor areas may affect finish. Finish will vary.
CONTRACT: Suitable As Is
