ZAMORA FLUSH MOUNT

DFC29 ZAMORA FLUSH MOUNT ARTERIO RS

DFC29
Antique Brass, Iron

Extending outward in a graceful, radial formation, the Zamora Flush Mount balances sculptural movement with refined restraint. Eight gently arched arms in antique brass support seeded glass shades, each topped with an opal glass globe that encases the integrated LED. The layered glass elements softly diffuse the light, creating a warm, dimensional glow. Designed for lower ceilings without sacrificing presence, this flush mount brings sculptural elegance and modern sophistication to living spaces, dining rooms, or entryways.
