

OSBOURNE BAR STOOL

FSI30
Oxford White, Fabric

The Osbourne Bar Stool blends a sturdy, hammered-iron frame with a crisp performance fabric for a look that is both grounded and airy. Its low-profile, barrel-style back is shaped to offer supportive comfort while ensuring the seat can be tucked away neatly to save space. By mixing textured metal with a light, clean performance fabric upholstery, this stool brings balanced, modern energy wherever it is placed.
