

SUTTON: FT-6920

SUTTON 67" SOFT RECTANGULAR ACRYLIC FREESTANDING TUB

With modern styling and softened lines, the **Sutton** freestanding bath is an attractive centerpiece that will transform a bathroom. Appropriately sized for the modern bathroom, the **Sutton** freestanding tub is ideally suited for the single bather and its center drain allows it to comfortably accommodate two.

The **Sutton** freestanding tub is constructed with beautiful cast acrylic and is structurally reinforced with fiberglass and mounted on a stainless steel frame, making it durable and easy to clean and maintain. **Sutton's** double-walled construction provides maximum heat retention.
