“Simplicity” isn’t always “simple” to design. Attention to **detail**, you know, is the hobgoblin of all **good design** minds.

In designing the **Legacy** Collection, Atlas departs from its homage to all things unusual and concentrates on all things **classic**.

This unparalleled selection of **timelessly** attractive hardware infuses **warmth**, elegance and “simply” speaking, **luxury** into your home.

A classic **French** symbol representing royalty, **Fleur de Lys**

was stylized after the three-petal **Lily** flower that had been used as the armorial emblem of the **kings** of France.

In decorative hardware, the universal symbol lends a **royal** touch to the outdoor entry of most any home.
