IMPORTANT INFORMATION

• Before ordering or installing, please consider future access to equipment.
• Add bedding compound to fully level and support bottom of tub.
• Tubs equipped with an air bath or a pre-leveled foam base are designed to rest on the floor without bedding compound, provided the floor is level.
• Please measure tub on-site before building tub decking.
• Jet, pump & blower locations are predetermined and cannot be changed.
• Suction and control locations may vary.
• Specifications and configurations are subject to change without notice.
• Measurements are +1/2" and are subject to change without notice.
• Measurements herein supersede all others published prior to publication date shown below.
