IMPORTANT INFORMATION

- Before ordering or installing, please consider future access to equipment.
- Please measure tub on-site before installation
- Make certain the floor structure is level and adequate to support installation.
- Building codes require that a panel(s) be constructed to allow ample clearance for plumbing repairs and pump service or removal
- Please note that installer(s) must be certified or warranty will be voided.
- Specifications and configurations are subject to change without notice.
- Measurements are +1/2" and are subject to change without notice.
- Measurements herein supersede all others published prior to publication date shown below.
