- Product rated for Interior use only
- † May be suitable for Exterior Floors
- ∅ Applications & ANSI Technical Specifications do not apply
- * Special Order only

This product should not be installed in exterior applications, high-heat areas, and/or steam rooms. Please be aware that white stones installed on shower floors may experience oxidation and rusting. All natural stone products must be sealed prior to grouting.

The 6"x20" glass product must be installed with a premium modified thinset such as laticrete 254 or epoxy.

Images and product samples are representative of a product's potential characteristics. There is no guarantee that the sample product or images will 100% match the product received. Field, mosaic, and trim tile may not be an exact match. Tiles are subject to variations in color, shade, sizing, surface texture and finish. Installer must conduct a dry mock layout under proper lighting conditions prior to installation. It is the consumer's responsibility to inspect the product prior to installation to ensure satisfaction. Once installed, the product is deemed accepted. Check Manufacturer's specifications as some Mosaic tiles may not be appropriate for wet applications. Reference the most current TCNA Handbook, ANSI, Manufacturer's specifications, and Bedrosians Care & Maintenance guide for installation, outdoor use, care and maintenance information. Improper installation, application, use, care and maintenance voids warranty. We reserve the right to make changes to product specifications at any time without notice. Please visit www.bedrosians.com for current product information.
