- Product rated for Interior & Exterior use
- Product rated for Interior use only
- † May be suitable for Exterior Floors
- ⊘ Applications & ANSI Technical Specifications do not apply
- \* Special Order only

† The TCNA does not rate products for exterior floors. Project specifier must determine product suitability for exterior floor applications by evaluating specific project conditions, type of use, traffic, drainage, expected contaminants (such as water, oil, grease, etc.), wear, maintenance, and manufacturer's specifications and guidelines. Use caution--product may not be suitable for pool decks or ramps. No polished tiles; only textured surfaces may be suitable.

Images and product samples are representative of a product's potential characteristics. There is no guarantee that the sample product or images will 100% match the product received. Field, mosaic, and trim tile may not be an exact match. Tiles are subject to variations in color, shade, size, surface texture and finish. Prior to installation, installer must blend tiles from several different boxes to achieve an even distribution of color range. Installer must conduct a dry mock layout under proper lighting conditions prior to installation. It is the consumer's responsibility to inspect the product prior to installation to ensure satisfaction. Once installed, the product is deemed accepted. Check Manufacturer's specifications as some Mosaic tiles may not be appropriate for wet applications. Reference the most current TCNA Handbook, ANSI, Manufacturer's specifications, and Bedrosians Care & Maintenance guide for installation, outdoor use, care and maintenance information. Improper installation, application, use, care and maintenance voids warranty. We reserve the right to make changes to product specifications at any time without notice. Please visit [www.bedrosians.com](http://www.bedrosians.com) for current product information.
